### \*Office Financial Policy\*

I understand that payment in full is expected at the time of service for all appointments. Payment can be made by cash, check, or major credit card. Because we are a specialty office, many of our procedures fall into the category of elective dentistry and are not covered by insurance. We accept all PPO insurance plans, but are not contracted directly with any insurance company and are considered an out-of-network provider. All other insurance claims (including medical and accident claims) are the responsibility of the patient. Accounts over 30 days will accrue a monthly service charge of 1%. Unresolved accounts over 90 days due will be sent to a collection agency, interest and fees will be included.
